Socialive for iOS

1

Go to the "record" tab

Tap the Recording Booth button. Allow any permissions for accessing camera, microphone and media.

2

Prepare

Add a descriptive title, select the front or back camera, and center your subject in the camera field.

3

Begin your recording

Tap the circular recording button to start. When finished press the rectangle button to stop.

4

Monitor the upload progress

Your video will begin uploading as soon as you stop recording. Tap the Videos tab to watch your video.
